

## Accreditation

Paragon Architects South Africa (PASA), part of the Paragon Group of architecture and interior architecture companies, has been awarded a Level 1 rating.

The latest accreditation was verified by Siyandisa Verification Services, PASA Director Thulani Sibande confirms. "It is going to be a good year. We have never had so many enquiries," Thulani comments.

"With some of the larger players struggling to retain traction, we have achieved a critical mass that has allowed our expansion and growth to continue apace."
