### **The winners of the 2018 Corobrik SAIA Architectural Awards have been announced.**

After creating a shortlist from 61 regional winners, six projects received Awards for Excellence, 24 Awards of Merit and five received commendations. Judges included SAIA President Maryke Cronje, Corobrik Commercial Director Musa Shangase, VISI's Editor-in-Chief Sumien Brink, academic Professor Paul Kotze and architect, urban designer and Director of DesignSpaceAfrica, Dr Luyanda Mpahlwa.

The six Awards for Excellence winners included the research project publication *NZASM Footsteps Along The Tracks*, written by Nicholas J Clarke & Roger C Fisher, assisted by Siphwe Simelane. Below, in no particular order, are the five buildings and structures that received top honours.
